

MECHANICAL REPAIR COVERAGE

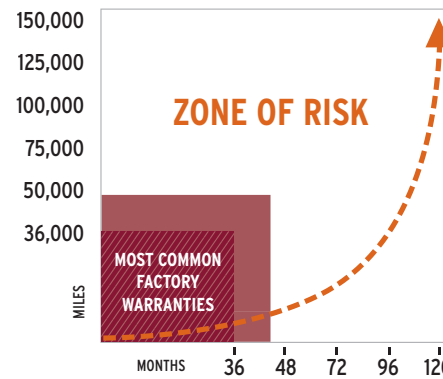

MRC can help limit the cost of repairs.

You depend on your car. But big unexpected repairs can happen after your factory warranty expires. Mechanical Repair Coverage (MRC) can help you limit the cost of any covered breakdowns. You pay only the applicable deductible, if any. MRC can help lighten the financial burden for you and the people you care about. Get MRC today so you can worry a little less about tomorrow.

Repairs can be expensive.¹

As your vehicle gets older, the risk and cost of repairs increases.
