

2024 Annual Report

A Message from the Chairman

As we reflect on the past year, it is clear our foundation has experienced exceptional growth—expanding our reach and strengthening our ability to serve those in need. In 2024 we have supported 30 organizations, awarded over \$80,000 in grant funds, and provided over \$10,000 in student scholarships. Our progress is not just measured in numbers but in the real, lasting impact we have made in the lives of individuals and families.

At our core, we are driven by the mission of serving all those in our communities. Each year, we strive to reach more people, deepen our impact, and create partnerships with organizations finding innovative solutions to the challenges our communities face.

We have also continued our internal credit union Outreach & Impact Program. This allows our internal teams to select non-profits that are important to them and align with our philanthropic pillars, and provide these organizations with much needed funding and volunteer support.

With this momentum, we set high expectations for the year ahead. We are entering a period of greater opportunity. We will continue to seek new opportunities and collaborations. Our goal is not just to sustain our efforts but to expand them, ensuring our work continues to make a difference.

Let's move forward with purpose, passion, and an unwavering commitment to those we serve.
