

2025 Annual Report

A Message from the Chairman

As we look back on the past year, it is inspiring to see how far our foundation has come, broadening our reach, deepening our connections, and strengthening our commitment to those who rely on us most. In 2025, we proudly granted over \$93,000 in total funding to over 35 organizations, including \$87,000 in grants and \$6,750 in student scholarships. These numbers tell a powerful story of growth, but more importantly, they reflect the lives changed and opportunities created within our communities.

Our mission remains grounded in service, meeting people where they are and supporting the organizations dedicated to creating meaningful change. Each year, we push ourselves to extend our impact even further, fostering partnerships that embrace innovation and address the evolving needs of the communities we support. We also continued to strengthen our internal Outreach & Impact Program, empowering our team members to champion nonprofits that matter deeply to them. This initiative not only reinforces our philanthropic pillars but also brings essential resources and volunteer support to organizations making a difference every day.

With this momentum behind us, we are poised for a year of even greater opportunity. Our focus remains on expanding our efforts, exploring new collaborations, and ensuring our foundation remains a source of stability, hope, and progress for those we serve.

Together, let us move forward with purpose, compassion, and a steadfast dedication to uplifting our communities.
